

Puppy Diet Guide

Prime 100 Chicken & Brown Rice Cooked Dog Food 2Kg

Feed your puppy 250-500ml of Prime TWICE daily until puppy is 12 months old.

Prime can be purchased through Coles Supermarkets and Woolworths.

Lactose Free Milk and Water

Give your puppy 250-500ml of lactose free milk in a bowl TWICE daily until puppy is 12 months old.

ALWAYS ensure your puppy has access to fresh water. Provide a separate bowl for water.

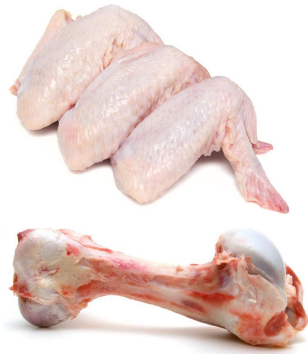

Dry Food

Give your puppy 2-3 handfuls in a bowl each day around midday.

If uneaten within a day throw it out.

We use Variety Shapes from [Upmarket Pets](#)

Raw Chicken and Beef Bones

From 12 weeks of age give your puppy one raw chicken wing/drumstick or frame every couple of days. It is also important to give your dog raw beef bones on a regular basis for maintaining dental hygiene.

WARNING

Never feed your dog chocolate or onions.

Both contain ingredients that are Highly Toxic to dogs!

If you suspect your dog has eaten either of these contact your vet immediately.
